Dear Treasurer,

Enclosed is a refund for \$2,000 from Making Business Excel PAC. We received 2 checks from Mass Mutual in 2006 (the first was received in January and the second received in November) and the total amount exceeded the \$5,000 total allowed by the FEC for a calendar year from another Political Action Committee.

We thank you for your generous contribution and hope to work with you again in 2007

Sincerely,

Danielle Davis Enzi
Treasurer
